

GRADUATE SCHOOL MISSION STATEMENT

We are a Catholic institution dedicated to advancing the frontiers of knowledge in the theoretical and applied fields through quality graduate education that is comprehensive and responsive to the needs of society. We are committed to the formation of scholars and high level professionals who are ethical, competent, compassionate and committed to the service of the Church, the Nation and the Global Community.

GRADUATE SCHOOL VISION STATEMENT

We envision a Graduate School that stands for excellence and innovation and that will be globally identified for the distinction of its programs and quality of its research.

GRADUATE SCHOOL GOALS

To realize this mission-vision, the Graduate School commits itself within the next five (5) years:

- To develop the intellect and creativity through excellence in instruction, research, and extension work.
- To form scholars and high level professionals in the arts and humanities, the natural and allied health sciences, the social and management sciences who are ethical and who demonstrate competencies functional in both the local and global workplace.
- To hone the professional and social skills, and critical capabilities of students enabling them to become responsible leaders in their careers and community.

- To provide students opportunities to serve the larger community through extension work and community service.
- To produce quality research in the various fields of knowledge that is internationally recognized.
- To recruit Faculty who are acknowledged experts in the field and to complement the teaching staff by inviting international scholars in the various disciplines.
- To build partnerships and linkages between the Graduate School and academic institutions, industry and government entities at the local and international level.
- To enhance the image and visibility of the Graduate School and its work in both the local and global community.

PHILOSOPHY & OBJECTIVES

Committed to intellectual expertise, scholarly research and the spirit of community involvement, the business program is built on the strengths and traditions of the University of Santo Tomas. The MBA program is envisioned to produce world class business leaders imbued with Christian and Ethical values.

The Faculty members in the program are business practitioners and academic scholars who pool their knowledge to stress the skills required to face unexpected challenges and to provide realistic solutions created by change.

Students are motivated to make the MBA Program not only a center of excellence but also a center of leadership. The course offerings enable students to build their careers as managers; update their knowledge and skills in order to gain an understanding of the universal factors that influence the success of business; and to develop lifelong skills to address the management issues of tomorrow.
